

2023 SPONSORSHIPS

California Cattle Penning Association-CCPA: This is a **Nonprofit** horse club that places a huge emphasis on competition, horsemanship, and family values. We compete monthly, from January through October. The riders accumulate points for year-end prizes. We strive to give quality top 10 awards in each division, including saddles and buckles. These awards are presented at our awards banquet in October after our final competition. We have a division for every level of rider: Open, Amateur, Novice, Beginner & Youth. As a club, we love to watch our youth grow up through this sport, as they are our future. Horses teach countless lessons and instill long-lasting values. Team penning also allows us to compete together as a family!

To be able to provide the above-mentioned, we need sponsors! Please support CCPA by purchasing one of the sponsorships listed below. Our sponsors enable us to offer many opportunities to our members. Your donation will be put to good use and will be greatly appreciated. We are also open to any suggestions you may have about making a sponsorship work for both of us. Please direct any questions to Debralee Duarte (925) 727-7649
