

# 2024 Sponsorships

California Cattle Penning Association- CCPA: Is a Nonprofit horse club that places a huge emphasis on competition, horsemanship, and family values. Our club was founded in 1969 and has withstood the test of time being the longest running penning association in California. We compete monthly, January through October. The riders accumulate points for year-end prizes. We give quality top 10 awards in each division including saddles and buckles. These awards are presented at our awards banquet in October after our final competition. Team Penning is a family sport with a division for every level of rider: open, amateur, novice, beginner & youth. As a club we love to watch our youth grow up through this sport, as they are our future. Horses teach countless lessons and instill long lasting values.

In order to provide the above mentioned, we need your help! Please support CCPA by purchasing one of the sponsorships listed below. Our sponsors help provide the means by which we are able to extend so many opportunities to our members. Your donation will be put to good use and greatly appreciated. We are also open to any suggestions you may have in regards to making a sponsorship work for the both of us. Please direct any questions to Lilly Lizama (209) 769-2112.

Please send checks to Teresa Duarte 2325 Silver Creek Circle Antioch, CA 94509, and make payable to: CCPA.

Thank you in advance for your generosity

Sincerely, California Cattle Penning Association- CCPA
